

Abergavenny Auto Club

Abergavenny Auto Club meet in the Nevill Hall Sports & Social Club, which is at map reference SO 161: 287 142. The entrance to the building cannot be seen from the road, as it is on the “blind side” of original Nevill Hall Hospital building, and can only be approached from a car park. The exact position is on the very tip of the arrow below.

The best way to approach is via the yellow road to the East of the hospital. Proceed through the narrow entrance, down the hill and over some speed bumps, and go round the 90° right.

On your left is the original Nevill Hall building and a car park, then some trees which form a triangular junction.

Take care, and turn left, proceeded across the front of the old building, and park.

Walk towards the far right (as you face it) of the old building, go around the corner, and the Sports & Social Club is in front of you.
